# NSSI at a Glance

NSSI has been providing quality insurance to colleges since 1971.

## Your college is under no obligation to NSSI.

The program is completely managed by NSSI and the contract is between NSSI and the student. The same way your school may handle your students' health insurance.

## We cover mishaps for devices that matter most to your students.

✓ Campus housing, student common areas, cafés and vehicles are frequent places where **laptops are stolen**.

✓ 18 to 24 year-olds are one of the most likely age groups to **accidentally damage their electronics**.

## Students are covered no matter where they live.

✓ Dorm Room   ✓ Apartment   ✓ House   ✓ Townhome   ✓ Condo

We provide coverage and benefits that **other Renters Insurance does not!**

Unlike most renters insurance, we cover cracked phone screens and spills on laptops.

### Worldwide Coverage

### Student Files the Claim

Colleges don't have to file a claim and students can file online!
